Trusted Choice for Quality Seafood

www.gospelholdings.com

Eat Healthy. Stay Healthy.

Premium seafood selected for quality, freshness, and consistency,
trusted across professional kitchens and global markets.

Sri Lanka

Sri Lanka – A Strategic Seafood Origin

Located in the Indian Ocean, Sri Lanka offers rich marine biodiversity and year-round sourcing advantages.

With two key fishing seasons and a strong export heritage, the country is known for premium seafood such as fish, prawns, mud crab and shellfish.

Today, Sri Lanka stands as a reliable and high-quality sourcing destination for global seafood markets.
